

***Saving Winslow*, by Sharon Creech**

Hello, Rhode Island readers! I'm excited that *Saving Winslow* has been nominated for the 2020 Rhode Island Children's Book Award!

I hope you will have a chance to read this story of a boy, Louie, and his determination to save an orphaned newborn donkey named Winslow. Louie's quirky friend Nora is not as optimistic as Louie is about saving the adorable but sickly donkey, but much of the humor in the book comes from the relationship between Nora, Louie and Winslow.

Try it--I think you'll like it!

I hope you'll read as many books on the RICBA list as you can and then don't forget to vote for your favorite!

Love and hee-haw from
